Welcome to **Criticus**.

This content was created with the contribution of Liberty28, coworking in Villa Moroni, Stezzano (BG).

**Antonio Bonizzoni** born in 1975 in Rivolta dadda on the extreme point of the province of Cremona, which insinuates itself, bordering on it, with the provinces of Milan and Bergamo.

Creator and founder of the Liberty28 project, he has always supported his professional experience with a

passionate interest in the in-depth study and management training with particular attention to the intertwining of human sciences and business strategy.

From the course of graphological studies that led the author to be a Technical Consultant for the Court of Cremona, the volume was written and published: **I graphologist**, graphology vademecum.

An exciting ride through 4000 years of Italian history with questions and answers, is instead the fascinating journey of the second volume of the author entitled: **How many do you know?**

<https://ilmiolibro.kataweb.it/libro/storia-e-filosofia/234495/ma-quante-ne-sai-2/>

**We just have to Googolare**, is the title of the third volume of the author who accompanies a successful professional experience in the world of web marketing, has made clear and usable the basic concepts of this subject as current as little known to non-professionals.
